- Adaptability
- Self-Motivation

PROJECTS

Peak Pass

Mar 2025 – Nov 2025

Toll service application supporting guest crossings, vehicle management, secure payments, and dispute tracking. The app streamlines toll operations by enabling real-time transaction processing, account management, and issue resolution while ensuring high availability and regulatory compliance.

Kosko

Feb 2025 – Mar 2025

Kosko is a mobile application designed to help sales representatives manage daily tasks efficiently. It enables secure login via admin-provided credentials, allows users to add and manage shop details, and displays only the current day's deliveries to keep sales activities focused and organized.

Play Store: [Kosko](#)

Arcadia

Jan 2025 – Feb 2025

The Arcadia Global School Parent Payment App digitizes school fee payments for parents by allowing them to securely view fee details and make online payments, delivering a safe, reliable, and user-friendly payment experience exclusively for Arcadia Global School.

Play Store: [Arcadia](#)

Careocity

Sep 2024 – Dec 2025

Careocity is a home care platform consisting of two mobile applications: Careocity Customers and Careocity Care Ambassadors. The platform connects clients with verified caregivers based on location and availability while enabling caregivers to manage schedules, service requests, and engagements efficiently.
